Declaration

I hereby declare that I shall use the allowance granted to me by the foundation for the purpose stated in the afore-mentioned notification.

I shall store the corresponding receipts until after the birth.

I am aware that a use of the allowance not in accordance with this purpose would justify a claim by the foundation for repayment.

I hereby give the assurance that I have not applied for nor will I apply for aid from the funds of the federal foundation ?Mother and Child – Protection for the Unborn Child? with any other department.

I undertake after the birth of my child to directly send a copy of the birth-certificate to the office of the foundation. I know that otherwise the foundation will demand that the benefit be returned.

Should my address change before I send the birth certificate I will also inform the office of the foundation of this fact without request.
